REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Swansea Primary School experienced some significant changes during the 2008-2009 school year. Through the use of instructional coaches and weekly collaborative planning time, we were able to continue building the capacity of our faculty in the area of professional learning communities that focused on formative periods of learning with the goal of increasing student achievement. Assessments of student learning became the driving force behind instructional decisions.

Swansea Primary School strives to be a community school by involving parents in decision-making. Schoolwide opportunities for parent and community involvement for the 2008-2009 school year included the Parent-Teacher Organization (PTO); Promoting Achievement, Learning and Success (PALS) program; and the School Improvement Council. The PTO sponsored a very successful Fall Festival that was well attended by many community members. In the spring, the PTO hosted a private Mr. Al performance for students. PALS sponsored monthly parenting meetings that focused on ways for parents to be more actively involved in the education of their children. The School Improvement Council was involved in our Title One planning meetings.

Swansea Primary School continues to focus on writing throughout the curriculum and on providing intervention in areas of ELA and mathematics for students who need additional help. Teachers used weekly common planning time to collaborate ways to help those students who were struggling.

As we look forward to the 2009-2010 school year, Swansea Primary School is beginning the transition toward offering public school choice for 2010-2011 school year. In the summer of 2009, many teachers will begin Montessori training through Lander University. These classes will be taught at Swansea Primary School for teachers from Swansea Primary and Frances Mack Primary schools. As we enter into our last year of existence, Swansea Primary school will continue to focus on student achievement through high quality staff development opportunities for teachers and staff.
